
Cancelled Export Containers

Our Requirements

Export containers delivered to Ports of Auckland that are required to be uplifted from the Port before export occurs, require the following:

- A Release Authority Number to be sent from the Shipping Company that the export was under the control of;
- Cost Acceptance for the additional movements, export storage and if applicable, power and monitoring charges:
 - Redelivery R&D lift on & off: Please refer to [POAL Price Schedule](#)
 - Daily Export Storage: Please refer to [POAL Price Schedule](#)
 - Management Fee: Please refer to [POAL Price Schedule](#)
 - Power & Monitoring: Please refer to [POAL Price Schedule](#)
- A Customs Release Form as below (NZCS 508). This form can be found on the New Zealand Customs Website, please [click here](#). Please note if the container is bound for a coastal New Zealand destination, the form is not required.
