Overall status	
Key points: Port and Terminal Operations have been working well.	
Marine Services	
All shifts covered. Pilot times may alter, but generally running to schedule.	
Container Terminal Operations	
Berth windows and vessel schedules – The larger Import services are all on window this weekend. ANL TTS vessel ‘ANL Emora’ arriving Saturday AM. Please continue to closely monitor vessel arrival details via POAL website www.poal.co.nz	
Labour supply - still meeting demand.	
Yard Capacity – yard capacity at Terminal approx. 70% this morning.	
Road Services – road has been operating well. Truck turn time for last 24 hours averaged 18 minutes on the main truck grid. Over 600 import containers delivered off port in last 24 hours. With later arrival of ‘Moana Chief’ today, some additional slots will be made available today. We are continuing to use both manual and A-Strad truck grids. Carriers please try to maximise opportunities to move laden imports off port during the weekend and evenings. We appreciate your support.	
Productivity – working well	
Rail Services – working well	
Other – nothing to add	
Multi-Cargo Operations	
Berth and Yard Capacity – Freyberg berth capacity is 50% with FD occupied through to Sunday. Yard capacity at Freyberg is approx. 60% but will reduce as bulk receivals in the triangle start today. Jellicoe wharf has ongoing receivals for weekend’s conventional vessels. Jellicoe yard capacity is at 50% but will decrease further today. MC has a PCC vessel discharging today at Captain Cook wharf, available capacity is currently	

60% but this will reduce to near 40% once the Trans Future 7 has completed.	
Road Services - Container transporters and bulk trucks are the primary trucks today. Increased volumes of Vehicle Transporters will continue uplifting their PCC cargo through to early next week.	
Other – Nothing further to report.
