## **Re : Audit Opinion, Fuel Adjustment Factor Calculation April 2023**

After examining a sample of invoices for April 2023 from your diesel suppliers, we advise that in our opinion the diesel buying prices for the weeks commencing 3, 10, 17 and 24 April 2023 were all greater than the 1 September 2006 reference price. The magnitude of the difference was between 30 and 40% for the whole month.

We confirm we have carried out this audit on prices excluding the Regional Fuel Tax introduced in 2018.

Yours faithfully,  
**GBG Audit & Risk**
