

# E-Gate

## User Guide

## Download

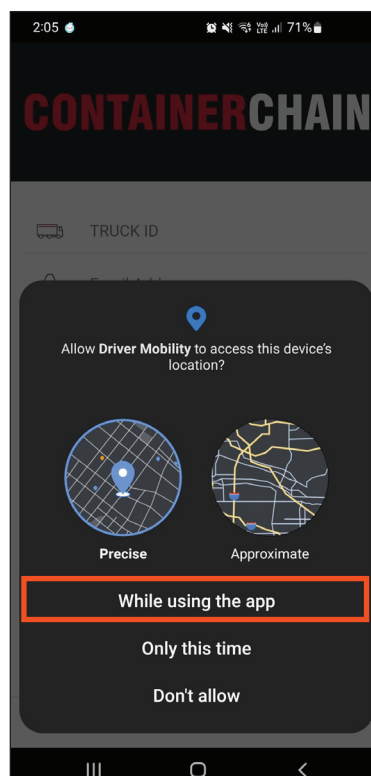

Download the **Driver Mobility App** from Google Play or the App Store.

## Permission

When you access the app the first time, it will prompt you to allow access to your device location.

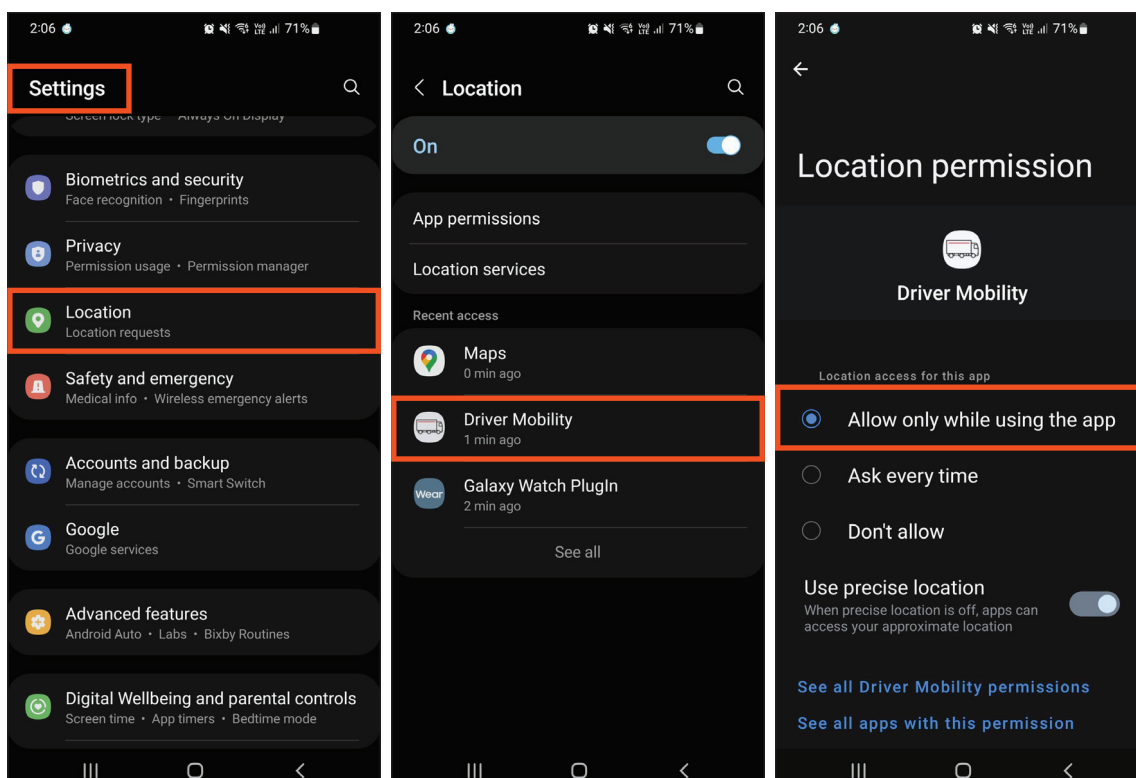

Tap on allow only **While using the App** or **Always allow**.

You can also go to the

- 1. Settings**
- 2. Location**
- 3. Driver Mobility**

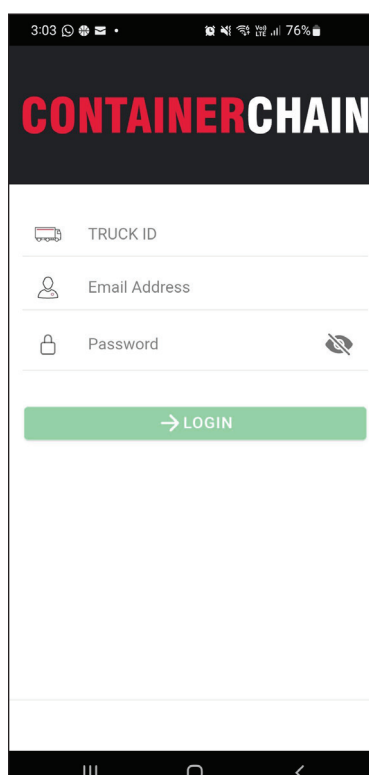

Then tap on **Allow only while using the app.**

## Login

Login details are available from your Dispatcher.

If you are an Owner Driver, enter in your email login and truck details.

## Landing Page

Upon logging in, you will land on this page which has 3 different tabs.

### Pending

This tab will show you the jobs that are yet to be accepted or rejected.

### Accepted

This tab will show you the accepted jobs and that are in progress.

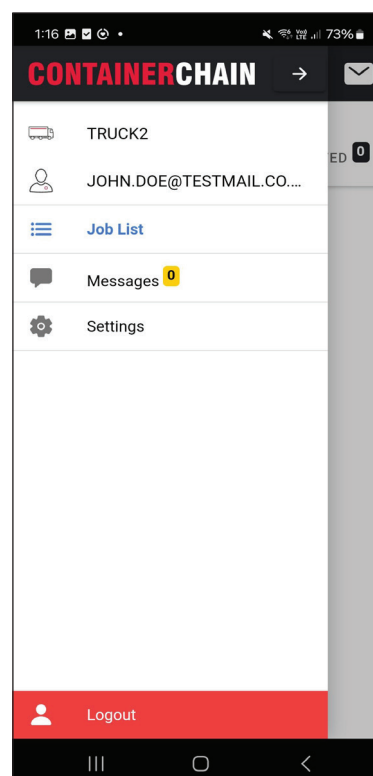

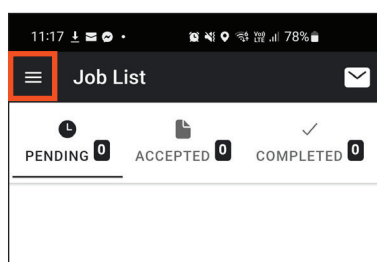

### Completed

This tab will show you all the completed jobs.

## Job List View

To find your jobs, tap the three lines on the top left of your screen.

# Container Drop off

## Step 1

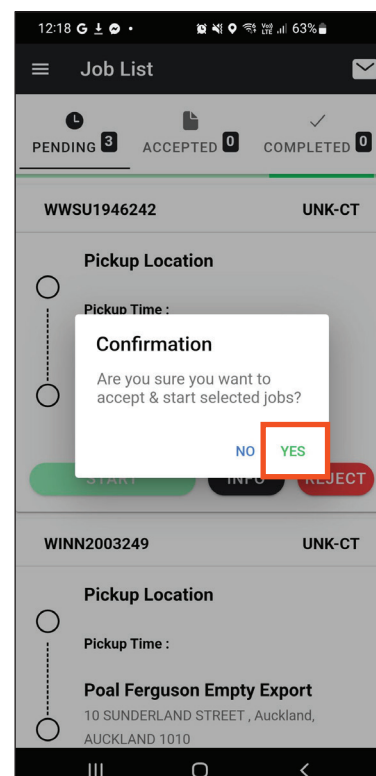

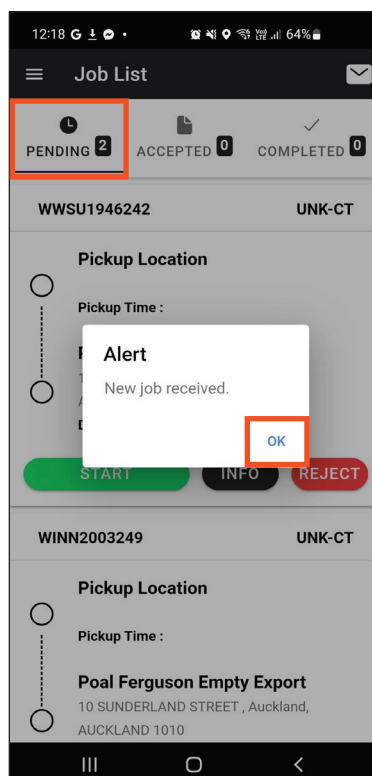

### Receiving/Starting a Job

You will receive a pop-up message when you are assigned with a job by the Dispatcher.

Press **OK** to dismiss the prompt

Only select the job/s that you want to pick up now from the pending tab and tap **START**

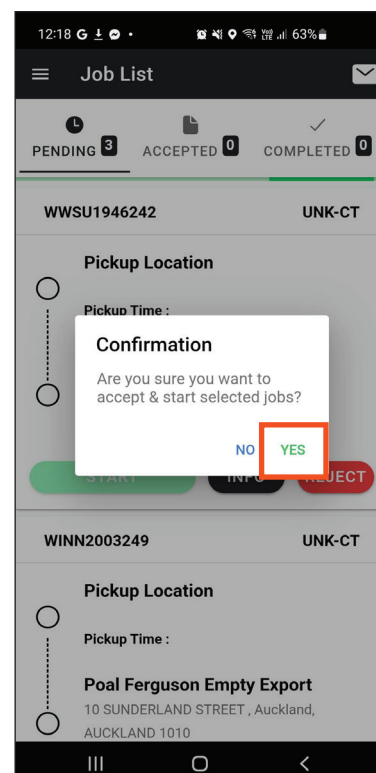

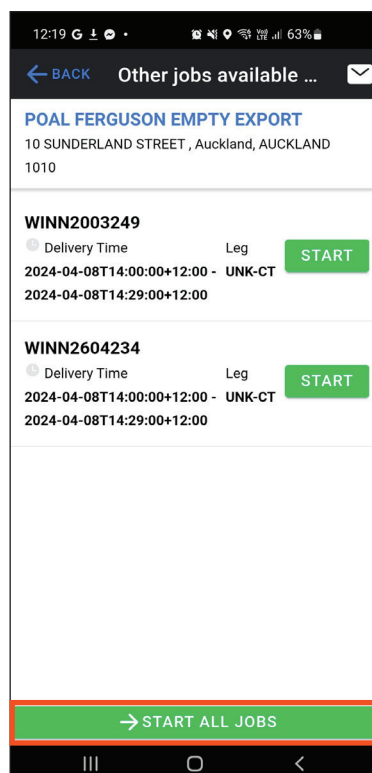

A pop-up message will appear, tap on **YES** to accept.

### Confirming Job

If you have multiple jobs for the same delivery time, tap '**START ALL JOBS**'. Otherwise start the jobs individually.

After selecting **YES** the job will be displayed under the Accepted job tab.

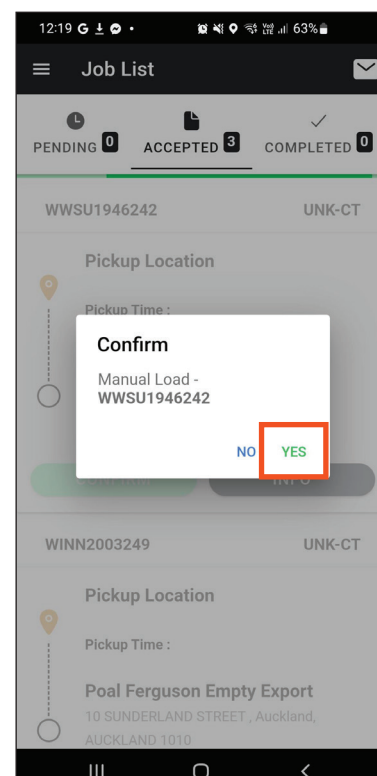

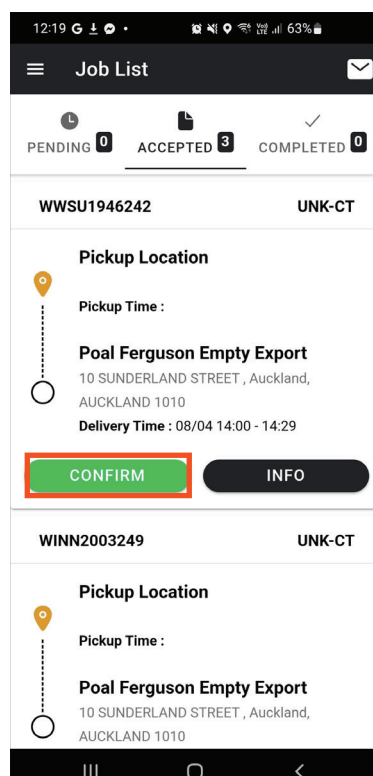

## Step 2

### Pick up Location Arrival

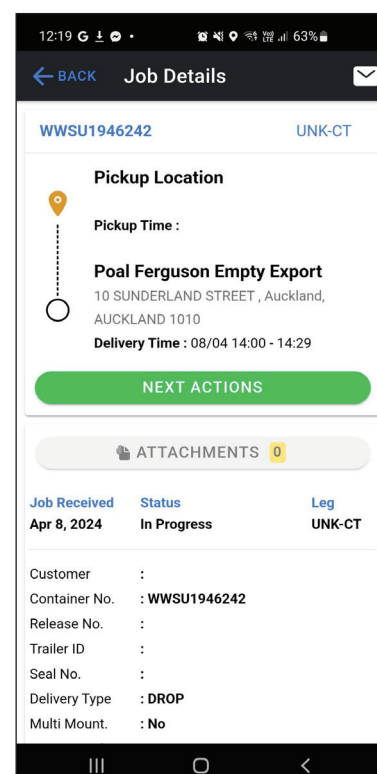

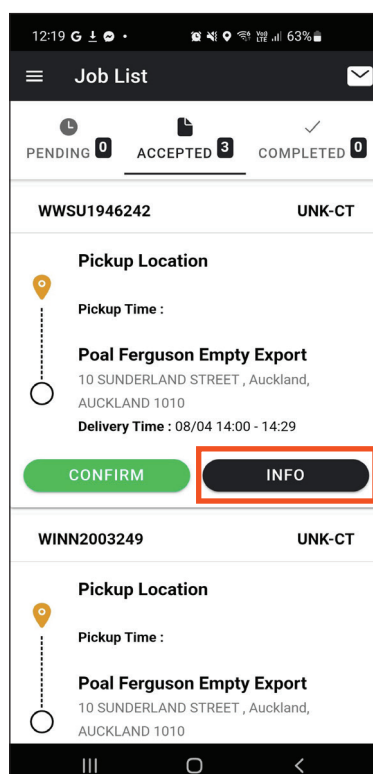

After loading the container onto your truck at the pick-up point, tap **CONFIRM** in the accepted tab.

After loading the container, select **"YES"** on the pop-up message to confirm.

### Job Information

You can view details of the accepted job by tapping on the **INFO** button.

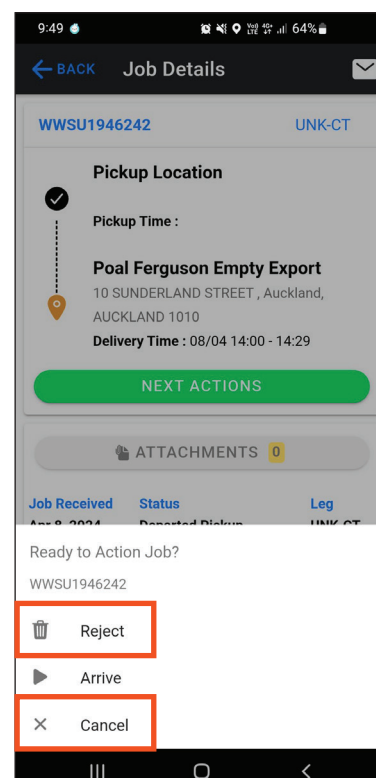

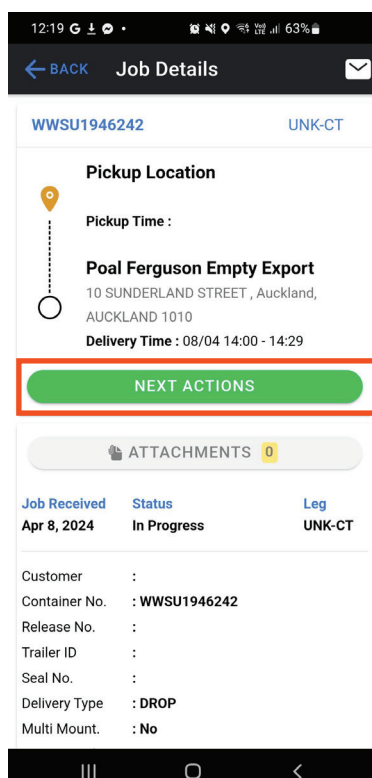

## Next Action

It opens a new screen that allows the driver to **REJECT** or **CANCEL** the job.

When it opens a new screen, **please do not tap on "Arrive"**. Choose either reject or cancel.

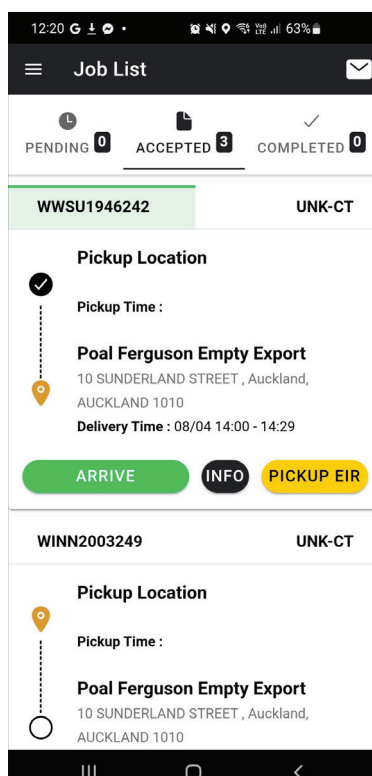

**Reject:** Will remove the job from your job list

**Cancel:** Will close the menu and will take you back to the previous screen

## Step 3

Once the Job is confirmed, you can now drive down to the Port.

Please don't tap on **ARRIVE** as this is done automatically by the app.

## Arriving at the Port - Green

Please keep the app open at ALL TIMES during the journey.

When you approach the Port the screen will either turn green or red.

If **green**, you may go straight to the gate where the eGate kiosk is located.

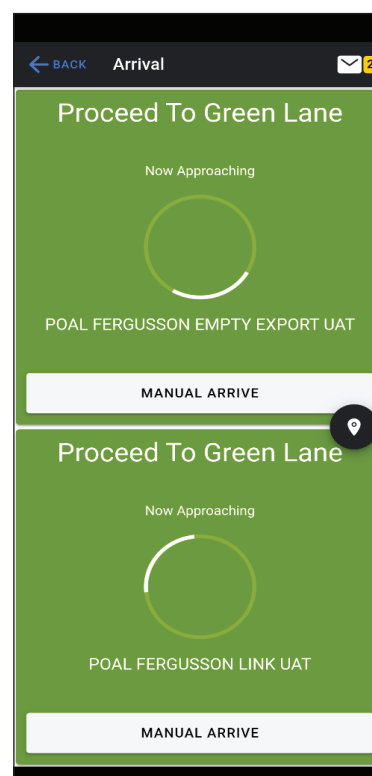

If you get a **red** screen, park at the truck grid and call the Road Office on **0800 767 800**.

This is Green Lane notification you will receive when you pass through the **1st geofence**.

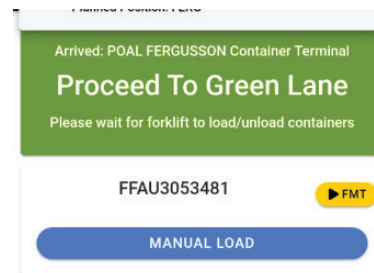

Please don't tap on **ARRIVE** as this is done automatically by the app.

When dropping off a container at the POAL MT Yard and also picking up or dropping off a container at the Fergusson Terminal, the GreenLane screen will display in the image shown happy for you to reword if you need to

After passing through the **second geofence**, the on-screen notification will update and appear as shown.
